

FP81 - 2.5m Self Retract Lifeline 140kg

Collection: Fall Arrest Blocks

Range: Height Safety

Materials: Polyester Webbing, Alloy Steel, Heat Treated

Outer Carton: 6

Product information

2.5 metre double retractable webbing lifeline including a carabiner, shock absorber and swivel hook with double safety lock. The webbing is manufactured using ultra high molecular weight polyethylene. This arrest block is capable of supporting a user up to 140kg.

Fall Arrest Blocks

The Portwest collection of Automatic fall arrest blocks are designed to be used with all Portwest harnesses and connectors. In the event of a fall, automatic fall arrest blocks will lock and stop your fall after a short distance.

Height Safety

Height Safety is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of Height Safety products for working at height.

Standards

EN 360:2002
